Region Information

Nacel Australasia can tailor homestay programs to place students within a geographical region as requested by the school. If the school does not request a geographical region, Nacel Australasia and our international partners will place students according to the host families location.

Region Request: Yes No

Region(s):

Insurance Information

Please confirm if the students and teachers will be travelling on a comprehensive travel insurance policy provided by the school

Yes No

Nacel Australasia is able to provide comprehensive travel insurance through DUAL Australia Pty Ltd to be included in the students program fee.

Refer to the website nacel.com.au for a copy of the Product Disclosure Statement (PDS).

Please confirm if you would like this policy included in the students program fee

Yes No

Any additional information in regards to the program:

A group travel proposal will be forwarded detailing the above information for school approval.

Once the group travel proposal is agreed to, a Memorandum of Understanding signed by an authorised school representative, will be requested and expressions of interest (EOI) for students distributed.

An information session for students and parents will be arranged when Nacel Australasia receive the EOI.
