Locations

Your location will also be recorded now and then, that way if anything should go wrong they know where to find you.

Enable Locations

Make sure you enable Locations and Notifications, these are essential so you can benefit from all the functionalities the app has to offer.

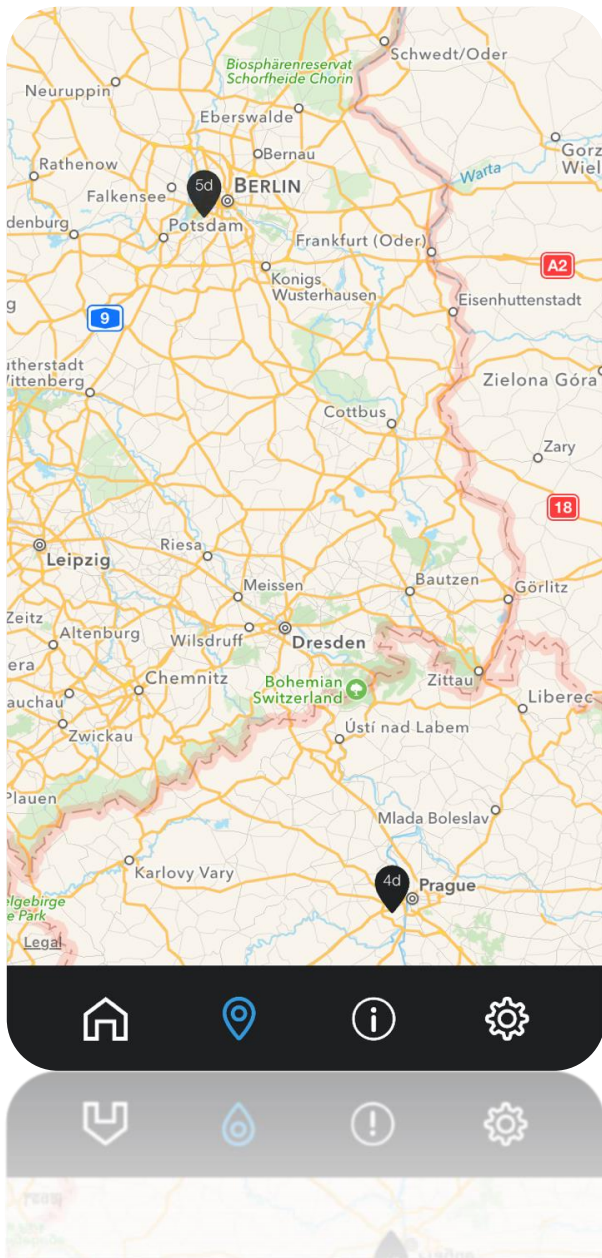

The Home page shows your latest activity.

You can:

 Check-in the location you currently are

 Express yourself – write a post!

 Share a picture of your adventure

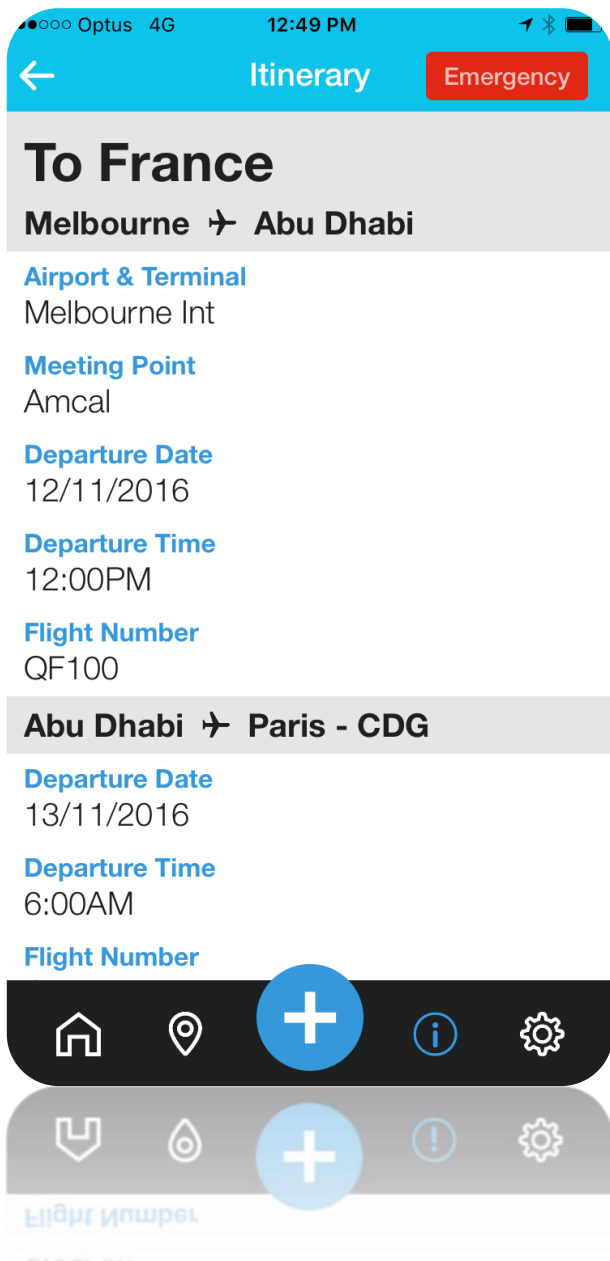

By 'Checking-In' each day,
your loved ones can see
where you've been.

Your 6 most recent Check-in
locations will be shown on
the Map and each of them
will indicate when they
were made, the latest one
being the biggest pin.

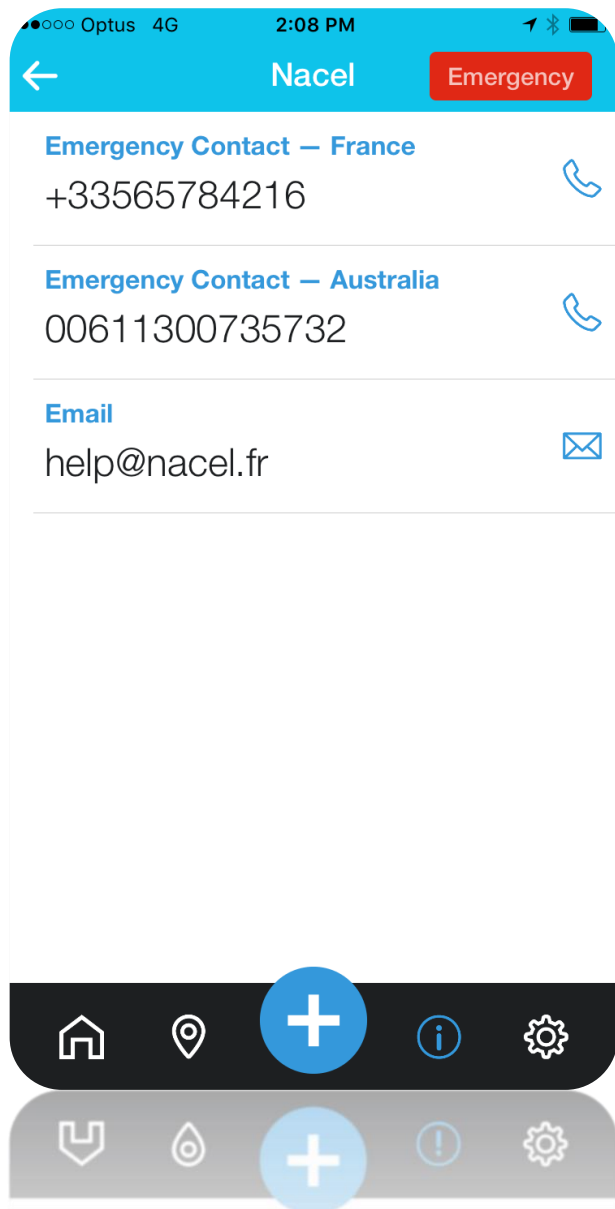

Info has all the important and practical information you need in a safe, secure location:

- Flight Itinerary
- Host Family details
- Chaperone information
- Nacel contact information
- Travel Insurance
- Useful Links

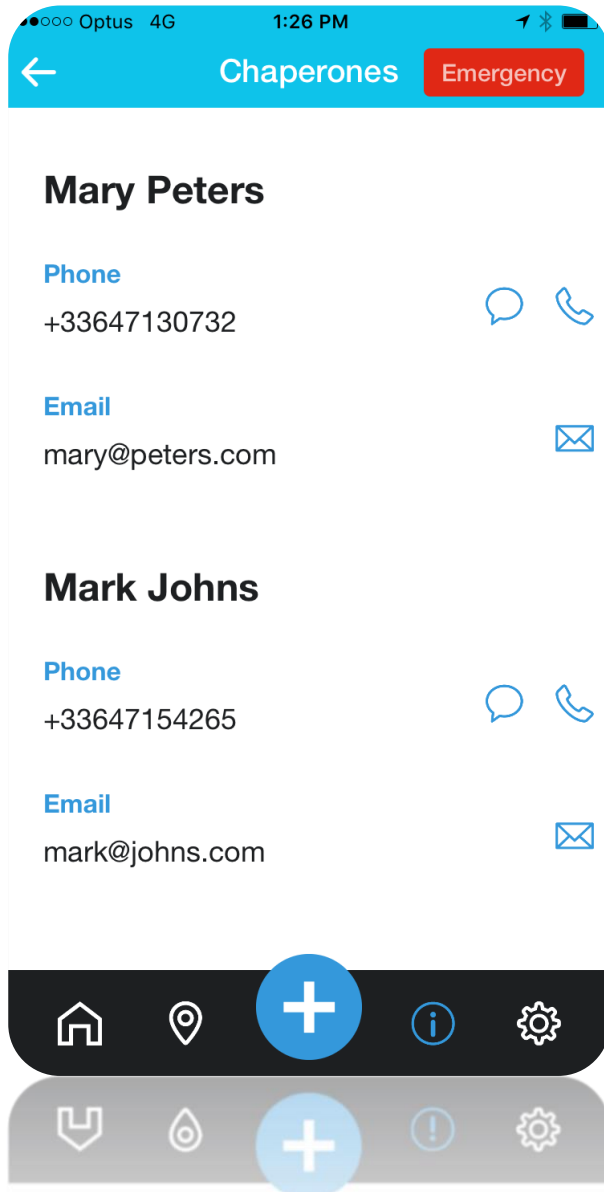

You can check all your travelling information in the Itinerary section.

- Access your flight details with ease
- Know your Airport Terminal and Meeting Point for your departing flight from Australia

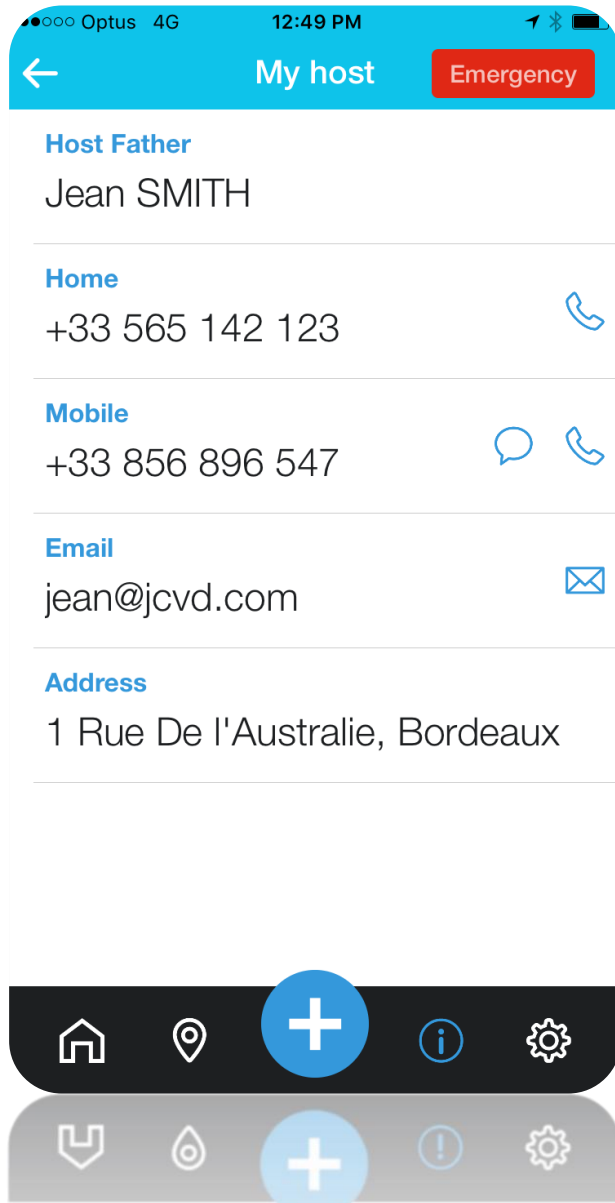

You can contact us easily
through the Nacel
information section.

We are here for you 24/7
to offer support and
advice.

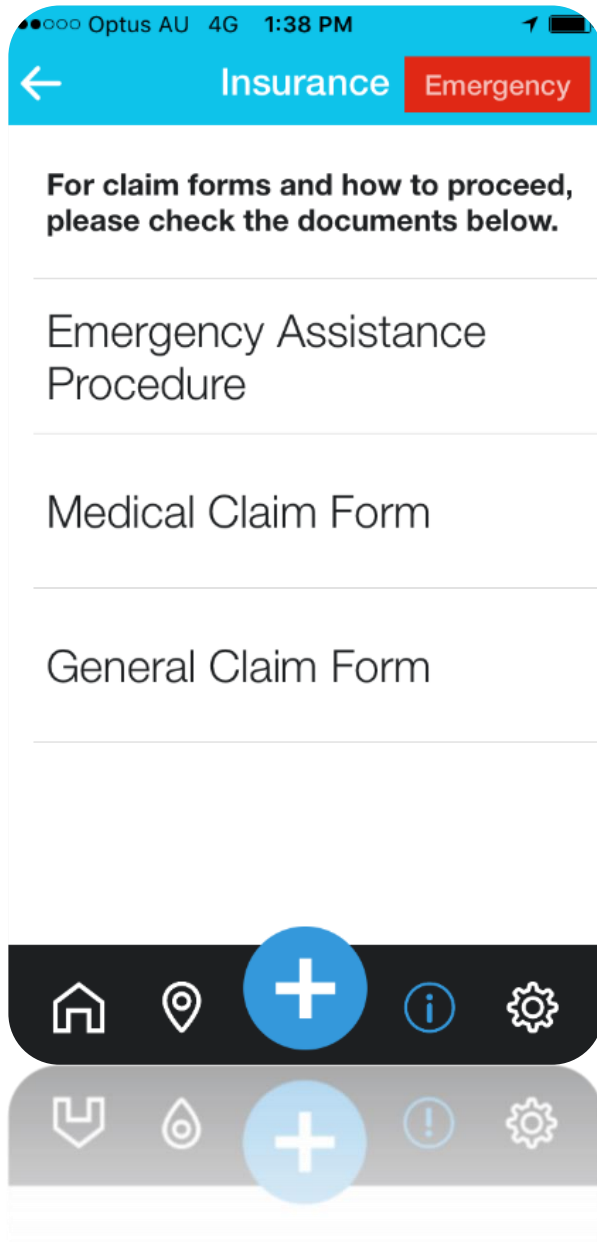

If you are travelling individually, the Chaperones are also here to assist during your stay overseas.

Here you can find the contact details of all Australian Chaperones in-country while you are away.

All your Host Family details
at your fingertips:

- Contact your Host Father or Host Mother with ease
- Forgot your homestay address? Just look here!

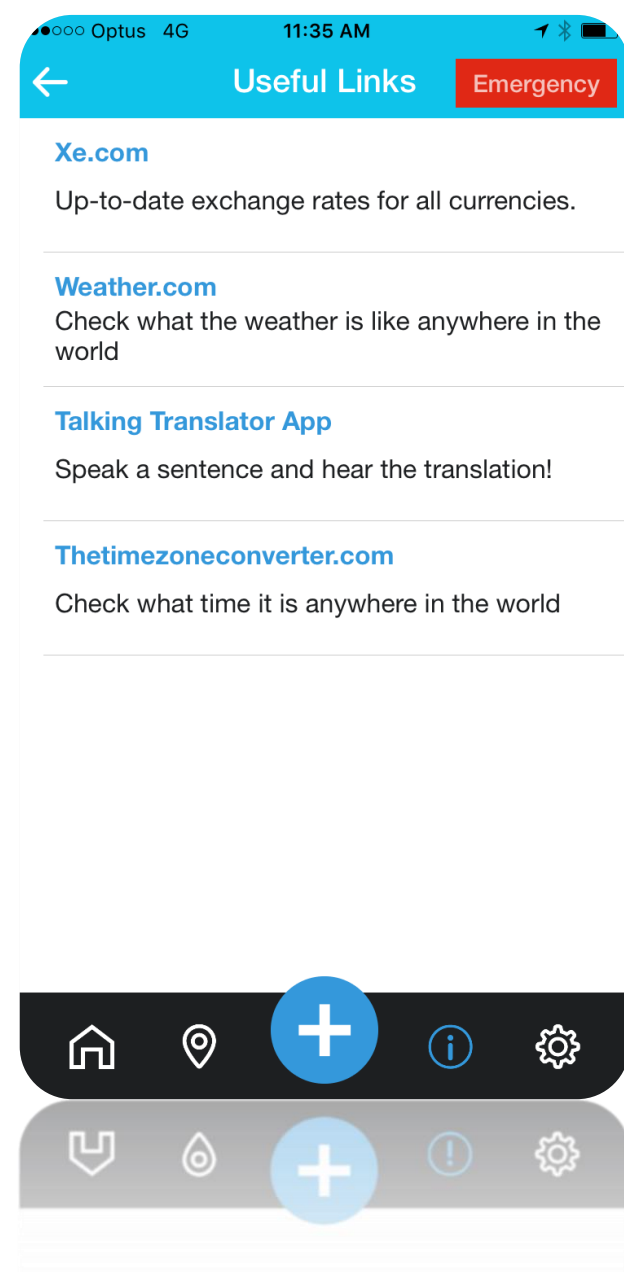

In case of an incident,
please refer to the
Insurance section to find
the relevant insurance
documents.

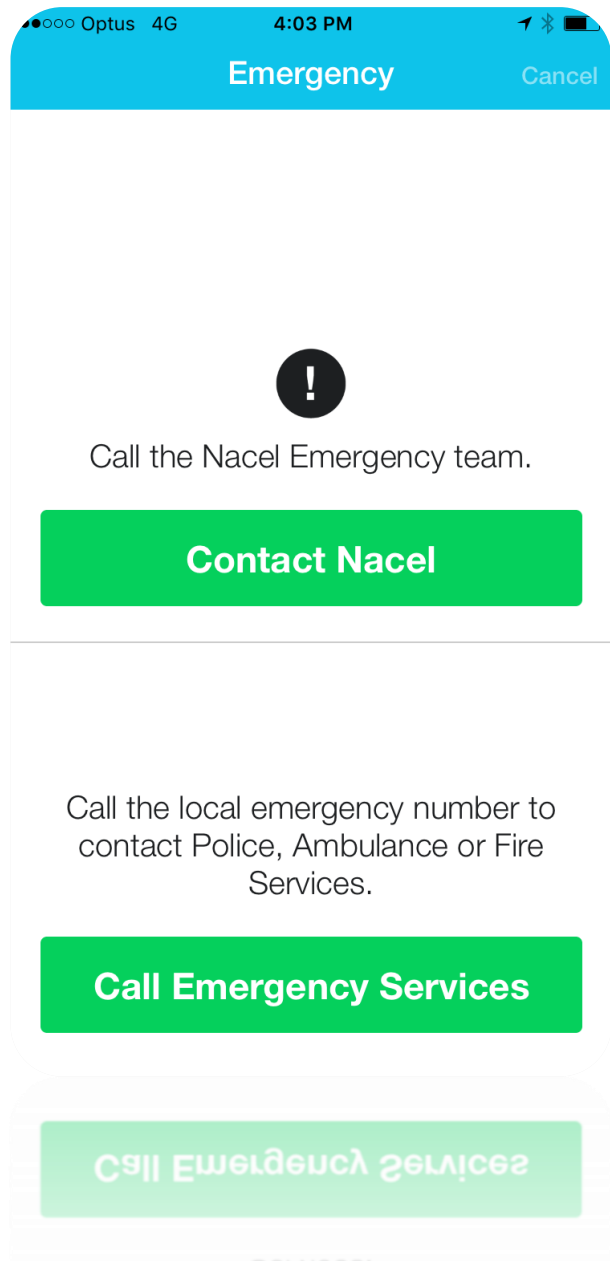

Once you've clicked on a
document link you can
save, share, print or open it
in another app to be
completed.

Need to know what the current exchange rate for the EURO is?

Not sure if you need to take your umbrella or sunnies with you today?

Just check-out the Useful Links tab to help you while you're away.

If you need immediate assistance use the **Emergency** button located on the top right hand corner of the screen throughout the app.

This will allow you to instantly get in touch with the Nacel Emergency Team or the local Emergency Services of your Host Country.

We hope you enjoy Nacel Link and make the most of
your journey abroad!

If you have any issues or questions regarding Nacel Link,
please contact us on 1300 735 732 or info@nacel.com.au
