CANADA BRITISH COLUMBIA

Student Cultural Immersion Program

British Columbia is the third largest and most westerly province in Canada. An unspoilt natural wonderland, wherever you travel in the region the natural beauty and ruggedness of the landscape will always be close by. Active and adventurous visitors will love the outdoor activities on offer such as hiking, kayaking, skiing and trekking at their doorstep.

The province is one of the most ethnically diverse in Canada and one of the most appealing provinces to live in. People are approachable and laid back, reflecting the natural surrounds and English is the main language spoken.

Kelowna – Laid Back & Easy Going

Nacel Student Cultural Immersion Program will be based in Kelowna, a mid sized town in British Columbia. An hour's flight east of Vancouver, Kelowna has a population of about 130,00 people. It sits on the shores of Lake Okanagan, in the Okanagan valley, a region renowned for fruit and wine production region and a tourism destination for Canadian and international visitors.

Kelowna offers more than outdoor activities, with the town also home to a number of theatre groups, a symphony orchestra, numerous art galleries and four museums that chronicle the region's history. The town also hosts Okanagan College and a campus of the University Of British Columbia.

While British Columbia has the mildest climate in Canada, average temperatures in Kelowna during November and December will generally range between a low of -4°C to a high of 6°C. So, remember to pack your winter woollies.

Canada – British Colombia Program

Short Term — 6 week program

During November and December, students from around Australia head overseas to experience the fun of life living with a host family and learning a different culture. Students participating in the Canada - British Columbia Program will attend Immaculata Regional High School, an Independent local school in Kelowna founded in 1995 with 350 enrolled students and offering excellent academic, arts and sporting programs.

NACEL

OVER 60 YEARS OF STUDENT TRAVEL

Nacel has been refining the art of international student travel, for schools and individuals, since 1957. The variety and quality of our overseas programs underpins our reputation. We offer sport camps, history and art tours as well as linguistic and cultural immersions with host families and schools.

Nacel Programs

Nacel cultural programs are about living, not just learning. Our short term student cultural programs provide the opportunity of a lifetime. Living with a host family, means students get the non-tourist experience while gaining a new social life and overseas network. By the end of your stay you may just not want to leave.

Connected and Supported

Nacel prides itself on its communication and support networks for students, parents, host families and schools.

Working closely with Nacel, Immaculata Regional High School administrators will assist students for the duration of the program. On arrival overseas, students are met by our representatives and accompanied to their host family then escorted back upon their departure. During your stay, Nacel Canada representatives will stay in touch and check in with students and the school to ensure you have settled in comfortably.

The Fun of School without the Homework

The high school experience for students participating in Nacel programs is unique and quite a contrast to that of Australia. Our short term programs are non-academic, which means all you have to do is attend, enjoy and participate in school life without homework.
